

# Ei262 RadioLINK<sup>®</sup> Carbon Monoxide Alarm

Mains powered with Lithium  
Battery Back-up &  AudioLINK<sup>®</sup>

## Key Features

- ▶ Wireless interconnection to other RadioLINK devices
- ▶ Proven electrochemical sensor (10 year life)
- ▶ Tamper proof 10 year rechargeable back-up
- ▶ AudioLINK data extraction technology
- ▶ Easy to use Test/Hush button
- ▶ Easi-Fit Base
- ▶ Pre-Alarm gives early warning of CO
- ▶ Loud distinctive sound (85dB(A) @ 3 meters)
- ▶ Power, Alarm and Fault indicator lights
- ▶ Kitemarked to BS EN50291-1:2010 & -2:2010
- ▶ 5 Year Guarantee

## Product Description

The Ei262 is a Carbon Monoxide (CO) Alarm with a rechargeable Lithium back-up supply which will outlast the usable life of the alarm (10 years).

The alarm has a high performance, proven electrochemical sensor (10 year life) to sense CO presence. The sensor is individually calibrated and tested in CO gas to ensure accuracy.

The alarm is RadioLINK enabled to transmit alarm signals to other RadioLINK alarms instead of having to hard-wire between them, creating less mess and time. They can be House Coded to only speak to the alarms within that property.

The unit has built-in AudioLINK data extraction. Simply download the AudioLINK App to your compatible Smartphone or Tablet device to get access to extra data such as CO activations, age (run time) and peak CO levels to name a few.

## Technical Specification

<b>Supply</b>	230VAC mains Powered, 50Hz with rechargeable Lithium back-up - 10 year life	
<b>Alarm Horn:</b>	Piezoelectric. 85dB(A) at 3m. Modulated sound gives 3 rapid pulses followed by a ½ second pause.	
<b>Temperature:</b>	-10°C to 40°C	
<b>Relative Humidity:</b>	15% to 95% non condensing	
<b>RadioLINK:</b>	868.499MHz Security band dedicated frequency. House Code Feature enables alarms to speak to other alarms in that property only.	
<b>Sensor:</b>	Proven Electrochemical, 100% calibrated and tested with CO gas to ensure accuracy. CO level is checked every 4 seconds.	
<b>Indicator Lights:</b>	Power on -	Green
	Alarm -	Red
	Fault -	Amber
<b>Mounting:</b>	Easi-Fit base supplied - easy slide on	
<b>Fixing:</b>	Screw Fixing (supplied)	
<b>Dimensions:</b>	120mm x 105mm x 45 mm	
<b>Weight:</b>	180g	
<b>Guarantee:</b>	5 year (limited) Guarantee	
<b>Approvals:</b>	BS EN 50291-1:2010+A2:2012 BS EN 50291-2:2010
